Dear Rhinebeck Chamber Music Society Outreach Friends,

Reflecting back on another year gone by, I wanted to take this opportunity to thank you again for the programs brought to our residents in 2015, made possible by your outreach program.

As is the case with most facilities, our Activities budget is limited. Unfortunately, hiring such “high caliber” performers, like the ones you’ve provided, is not an option for us.

Thanks to the Rhinebeck Chamber Music Society Outreach, however, we ARE able to bring such quality musicians to our home! As such, the outreach program truly enhances the quality of life of our residents~ many of whom enjoyed such programs prior to coming to live at The Thompson House.

As 2015 comes to a close, have confidence in knowing that the programs you’ve sponsored this year have brought great joy to many of us! Best wishes for a happy and healthy new year!

Sincerely,

Sue Close, CTRS
